

Biography: CLAUDE W. CARMACK  
Mechanicsville, Va.  
Glen-Allen Richmond, Va.  
National President  
The National

#### Exchange Club

Claude W. Carmack, a member of the Exchange Clubs of Mechanicsville and Glen-Allen Richmond, Virginia, was installed as national president of the National Exchange Club at the organization's 2009 national convention in Jacksonville, Florida. He was elected national president-elect at the 2008 national convention in St. Louis, Missouri. Previously, he served two terms as national treasurer (2003-05 and 2005-07). Prior to that Carmack served four years as regional vice president, Region 11. A Certified Public Accountant and Certified Financial Planner™, he is the owner and president of The Carmack Company, Certified Public Accountants and Consultants, and Hanover Financial Services, Ltd., a financial planning firm.

Carmack joined the Exchange Club of Greenspoint, Texas, as a charter member in 1979. On the local club level, he served on the board of directors, as president-elect and president, in addition to serving on various club committees. For the Virginia District Exchange Clubs, he served on the district board of directors and as president-elect before serving as district president in 1992-93. He has helped build four new Exchange Clubs and has served as a volunteer field representative since 1995. For the National Exchange Club, Carmack has served on the Personnel, 501(c)(3), Technology, Convention Site and Planning, and the Strategic Planning Task Force Committees. Carmack has also served as chairman of the National Budget and Finance Committee. He received the Virginia District's Exchangite of the Year Award twice (1997 and 2003).

He has been involved with the Boy Scouts, assisting with membership and fundraising programs, has served as a volunteer teacher for the Small Business Administration

and the Entrepreneur Institute at a local community college, and treasurer of Friends of Hanover.

Carmack attended the University of Richmond, Virginia, receiving a bachelor's degree, and the Virginia Polytechnic Institute and State University, where he earned a master of accountancy degree. He and his wife, Frances, have three children and five grandchildren.
